

REPEAL BOIL WATER ADVISORY

Lebanon Rd., Maxwell Ave., Wellford Dr., Seawright Dr., Magnolia Ln., and Long Rd.

September 23, 2026, 6:30PM

Pendleton Public Works is issuing a Repeal of the Boil Water Advisory.

The advisory affected the following areas outlined on the map below and included Lebanon Rd., Maxwell Ave., Wellford Dr., Seawright Dr., Magnolia Ln., and Long Rd.

Residents no longer need to vigorously boil their water for at least one full minute prior to cooking or drinking.

The Advisory has been lifted.

Water samples were collected throughout the affected areas, and your water is safe to drink without boiling.

If you have any questions, please call the Town of Pendleton at 864-646-9073.

Jay Lockaby

Director of Public Works
